Never Any Headache, Biliousness, Indigestion, or Constipation-No More Miserable Days After This.

This is the day of the gentle in medicine. The cathartic pill is old-tashioned. Salts and castor oil belong ther's time. The modern loctor deals mildly. Cascarets are ef-ective, yet gentle. They don't firitate or gripe. They don't like cathartics, waste the digestive fluids. Cuscarets do only what some foods will do, what some fruits will do, what exercise does for the bowels. Their ection is natural, not artificial. If you ive outdoors, exercise a great deal, and fold rich foods, you don't need them

The most helpful laxative over devised is Cascarets. They are candy tablets, pleasant to take. Then, they are convenient. The ten-cent box fits the vast pocket or the lady's purse. the vest pocket or the lady's burse. That is a vital point. The time to take a laxative is the minute you suspect that you need it. Don't wait till you get home; don't wait till night. One Cascaret, taken any time, makes you feel grat and they cost only 10 cents per box.

W. R. C. UNPLEASANTNESS. Disagreement Over Part to Be Taken in Parade.

Just what part Francis S. Long Wo-san's Relief corps, No. 28, will stake in the big celebration on the Fourth of July is not definitely known, as some dissension has arisen in the Civic association and also voted to hire a carriage for the day and suita-bly decorate it for the big parade. It was understood that the colorbearers—Mrs. William Williams, Mrs. John L. Benion, Jr., Mrs. Darius Clark and Mrs. James J. Tew—were to ride therein and carry the corps' colors. When the matter was discussed in vectors it meeting it is understood that there was some difference of opinion as to who should be the logical members of the corps to ride in the parade and any part whatever in the celebration.
